Our Annual Clearance Sale of Fine Imported and Domestic Lace Curtains

FOR quite a number of years this has been an annual event with us. It means that we are getting our stocks ready for the entrance of the new spring goods, which we want to give all the prominence possible. The broken lots left over from our season's business, discontinued patterns and broken assortments of manufacturers are in this sale; also a purchase of Renaissance Lace Curtains—the quality sort, worthy a place in any home.

Nearly every curtain in the sale is clean and perfect, but a few are slightly discolored from display; not enough, however, to be noticeable when hung.

The prices in every instance are much lower than usual, and all who are in need of such window hangings will be well repaid by inspecting them.
